

**CITY OF LA PALMA
MEMBER OF THE CITY COUNCIL**

STEVE A. SHANAHAN

AGE: 31

OCCUPATION: Business Development

In 1971, my family moved to La Palma. Thirty-three years later I am still proud to call this great community home. My parents wanted to raise their children in small community that shared their values. I have lived my life enjoying the advantages La Palma has to offer, and I feel it's time to give something back.

In running for City Council, I believe I have a responsibility to give back to La Palma what La Palma has given to me. I feel a balance of continuity; a fresh perspective and new, enthusiastic leadership can create a strong, financially secure city.

I understand the value of education, as it has played a vital role in my life. My educational journey has allowed me teach as an adjunct faculty member at both colleges that I attended — Cypress College and California State Fullerton. My management experience in business also has taught me the importance of developing new business relationships, while strengthening established ones.

My commitment is for responsible, conservative management of our community, with an emphasis in preserving property values, education and safety.

The success of a city is best when the leaders listen and the citizens care, so I ask for your vote.
